

Dear Member, Clients, Friends and Suppliers,

The CRAFM Team hopes that you are all Healthy & Safe during these unprecedented times.

We are asking everyone entering the facilities for your co-operation & understanding during these very trying times.

This time, it is confirmed by the Ministry of Public Health

We will be opening the ranges on Monday, June 22nd at 10:00AM until 8:30PM.

For the health and safety of our staff and everyone entering our facilities, Plexiglass panels have been installed on the counters and we have implemented some safety measures that **MUST** be respected by everyone entering the facilities or you will not be granted access and/or be asked to leave.

As we prepare for this long awaited re-entry, anyone who **(A)** is exhibiting symptoms, **(B)** has been in close contact with someone suspected of COVID-19 within the last 14 days, of **(C)** has been in close contact with a suspect or confirmed COVID-19 case within the last 15 days **SHOULD NOT ENTER THE FACILITIES.**

CRAFMI has the right to use a “NON-Contact INFRARED Thermometer” on anyone entering the facilities or anyone exhibiting symptoms or suspect of having symptoms.

The CRAFM staff regularly disinfects the main door, main door area, the dead-zone area (cage) as well as its doors, all offices and bathroom doors.

CRAFMI had the 3 ventilation systems (2 ranges + the member's area, retail store and offices) ducts cleaned and sanitized recently.

Anyone entering CRAFM **MUST** :

- **Disinfect your hands** with the disinfectant supplied;
- **Wear a mask** during your entire visit;
- **Refrain from entering offices & workshop;**
- **Limit the use of cash;**
- **Limit the handling of products;**
- **Keep a 2 meter distance from all individuals on the premises.**

Recommend Wearing gloves during your entire visit (fabric/work/winter/shooting gloves are not acceptable).

Masks and Gloves will be available for a small fee.

- **Both ranges will be opened at 50%** (5 stalls in the Rifle Bay and 5 stalls in the Pistol Bay), in order to respect the 2 meter distance rule.

Anyone coughing repeatedly, will be asked to leave – we are asking everyone on the facilities to self-police for everyone's safety.
