

Dear Members, Clients, Colleagues and Friends,

We can all agree that the last year has been somewhat of a challenge. and unpredictable with what has become the new normal for everyone.

Considering that spring is around the corner and that means that CRAFM will be holding their annual INVENTORY sale offering huge discounts on most in store items.

We invite you to come visit our newly expanded retail section and check out all our new Survival Gear at unbeatable prices along with our QuietKat Electric Mountain bike section and many new arrivals. If any survival gear has been delayed due to shipping delays, CRAFM will offer "rain-checks" for these items.

See the Inventory Flyer !

CRAFM IS FIGHTING FOR YOUR RIGHTS

On May 1, 2020, the Liberal Government decided to ban over 1500 firearms and counting by making them prohibited and granting a 2-year amnesty & potentially a buy-back program, this is directly penalizing and punishing responsible & legal firearm owners and forcing this upon us as an emergency act by invoking the OIC. Of course, the criminals, have immunity and nothing has been done to stop the flow of illegal firearms in our country. We kindly ask that you keep this in mind when voting in the next elections, our only hope is to vote **BLUE**.

CRAFM has decided to support the CCFR & donated generously to the CCFR for their fight against the Liberal Federal government by taking them to court and challenging their draconian ways and fighting for our rights.

In order to further help the CCFR and show a collective support, CRAFM has made T-shirts : **WE ARE NOT THE PROBLEM & TRUE NORTH STRONG**

ALL PROCEEDS of t-shirt sales collected will be donated to the CCFR for their continued fight for our rights.

SUMMER HOURS

Effective June 1st until August 31st 2021 (**UNDER NORMAL CIRCUMSTANCE**)

Monday to Friday	:	9:00am to 9:00pm (ranges will be closed at 8:30pm)
Saturday & Sunday	:	9:30am to 4:30pm (ranges will be closed at 4:00pm)
Thursday, June 24 th 2021	:	CLOSED
Thursday, July 1 st 2021	:	CLOSED

During the Pandemic, the hours will be changing and adjusted, as per the guidelines and restrictions put forth by our Provincial and Federal Governments

*– Please visit www.crafm.com for the most accurate Schedule.**

PROHIBITED AMMO

Military Surplus ammo, Steel Core, Steel Jacketed & Tracers are STRICTLY PROHIBITED in our ranges because they can cause extremely serious damages to the equipment in our facilities & can cause very serious wear & tear on your firearm.

ALL AMMO MUST NOW BE VERIFIED BY ONE OF OUR TEAM MEMBERS BEFORE PROCEEDING TO THE RANGES. ANYONE CAUGHT USING ANY TYPE OF PROHIBITED AMMO WILL BE ASKED TO LEAVE THE PREMISES IMMEDIATELY & MAY RISK HAVING THEIR MEMBERSHIP REVOKED WITHOUT REIMBURSEMENT.

In the recent past we had to have to backstop repaired during a scheduled maintenance due to some members not respecting the regulations nor understanding how dangerous this can be.

We kindly ask that for Everyone's safety, **PLEASE DO NOT USE PROHIBITED AMMUNITION IN THE RANGES !*** Unsure if your ammo is Prohibited? Use a magnet on the projectile, if it sticks, it's PROHIBITED and CAN NOT be used. (***Tracers will not stick to a magnet.***) - **ONLY** shotgun slugs are permitted in the Rifle Bay ! – Bird shot and Buck shot are prohibited.

RANGE MAINTENANCE

We recently had our annual range maintenance, by having the ventilation calibrated, the granular rubber on the backstop cleaned out and some of the metal frames repaired. The floors will be repaired, along with having the floors, baffles and walls painted later this summer. **Please visit our website's calendar for updates and more information.**

LAW 9

We would like to remind all of the CTM's members with "**restricted firearms**" of the importance to keeping your membership valid and to visit your Shooting Club at least once a year to discharge a "restricted firearms" in order to avoid retaking and paying for the Law 9 exams (Theory and Practical) as stated 46.29 as per the present Law. Even if your membership is expired by one (1) day you will be obliged to retake and repay for the Law 9.

Please visit the FQT website for more details: www.fqtir.qc.ca

During the Pandemic, the Law 9 course is offered every Wednesday & Thursday evening from 6pm. Kindly register on the FQT's website to reserve your spot.

RANGE OFFICERS

Are you interested in becoming Range Officer and/or looking to get more involved with your shooting club ? If so, CTM is always looking for dedicated Range Officers (certified by FQT) & will be rewarded **with a FREE membership and other privileges** after the completed requirement. The FQT offers the course online and we have a complementary course for the CTM. Ask one of our staff, for more details.

FOLLOW US ON FACEBOOK  **, TWITTER**  **, CGN**  **& INSTAGRAM**  **!**

The Staff & Administration of CRAFTM & CTM would like to wish you & your families the very best for the summer months and Safe Shooting.

The CRAFTM & CTM Team
